Download A Daughters Rage Kindle Edition

Daughters of the Storm by Kim Wilkins is the first book of the Blood and Gold series. I've seen this one marked as a young adult fantasy but my first warning would be there is sexual content along with of course some violence to make this one more for mature readers. A sense of entitlement, along with the expectation that life should be much easier and less frustrating than it actually is, often lies behind the expression of narcissistic rage, a feature of Narcissistic Personality Disorder, Bipolar Disorder, Borderline Personality Disorder and other superficially discrete categories of diagnosis.
