Washington, D.C.: Washington, D.C., capital of the United States, coextensive with the District of Columbia, located on the northern shore of the Potomac River. Often referred to simply as D.C., the city is an international metropolis, a picturesque tourist destination, and an unmatched treasury of the country's history and artifacts. The Lincoln Memorial, the Washington Monument, and the Capitol are aligned on the National Mall. Photograph by rabbit75\_ist, Getty Images . The first president to live in the White House was John Adams. Since 1872 the United States National Park System has grown from a single, public reservation called Yellowstone National Park to include 418 natural, historical, recreational, and cultural areas throughout the United States, its territories, and island possessions. The Daniel Boone National Forest (originally the Cumberland National Forest) is a national forest in Kentucky. Established in 1937, it includes 708,000 acres (287,000 ha) of federally owned land within a 2,100,000 acres (850,000 ha) proclamation bounty., A History Of Rock Creek Park Wilderness Washington D C Landmarks.
