{g osh my body B U R N S for this request thank you and everything you've done ever} This was a request from @alteaplier I had lost the original ask for it but it has finally been finished!!to-the-clear-northern-sky asked: Hello! :D I was hoping to request something with a confused/clueless Keith and a reader who is basically the total opposite of himself.Upon @muscial-lover's request, I have a slightly rushed addition to this fic . Keith could hardly believe what it had come to. The block lied in ruins.It was Lance's birthday. The paladins had prepared everything from the decorations to the cake. Hunk had slaved all day in the kitchen. Pidge had been working for hours to set up this new video game she found at the space mall., Armor X Keith Champagne.
