The British Empire comprised the dominions, colonies, protectorates, mandates and other territories ruled or administered by the United Kingdom and its predecessor states. The Sun Never Set on the British Empire, "Dominion over palm and pine" Some chronicler, speaking of Asia, asserted that one man ruled as much land as the sun passed, and his statement was not true because he placed all Africa and Europe outside the limits where the sun rises in the East and sets in the West. The territorial evolution of the British Empire is considered to have begun with the foundation of the English colonial empire in the late 16th century.
