

Download Firemans Fund American Insurance

Fireman's Fund Insurance Company (FFIC) is now integrated into Allianz Global Corporate & Specialty (AGCS). This consolidation means that current Fireman's Fund policyholders and their brokers will benefit from the same focused insurance offerings, but with the added bonus of Allianz's global reach and infrastructure. As our company has grown and developed, the one area we have never had to worry about was adequate and appropriate insurance coverage. Their team proactively monitors our insurance needs and suggest suitable options as needed, always carefully considering the cost- benefit aspect, which is important for a company of our size. By registering below, you agree to allow DMI to periodically email helpful news and information related to your DMI Access account, as well as insurance-related inspection news and information in general. The key to success is based on knowledge. Our agents and representatives have a profound knowledge of the insurance industry, and devote time towards continuing education in order to provide you with the most up-to-date information available., Firemans Fund American Insurance.
