

Download From Oligarchy To Republicanism

Republicanism is a representative form of government organization. It is a political ideology centered on citizenship in a state organized as a republic. Modern republicanism is a guiding political philosophy of the United States that has been a major part of American civic thought since its founding. It stresses liberty and unalienable individual rights as central values, making people sovereign as a whole; rejects monarchy, aristocracy and inherited political power, expects citizens to be ...The First Political Parties. The United States in the twenty-first century is predominately a two-party system. Although more than two political parties exist, many American voters tend to side with one of the big two: the Democrats or the Republicans. the plutocracy cartel an entrenched global elite of vast wealth has spread its tentacles over the earth wielding extraordinary power over world affairs, From Oligarchy To Republicanism.
