The only problem I see is that beyond a point it becomes a pain to select and download so many files separately. Since the files aren't too big individually, I don't think anyone should object if you ZIP/RAR them up into packages. XVideos.com - the best free porn videos on internet, 100% free. With the purge on Tumblr many sites have ended. I have made an update on the blog list but many I can not link to or find. Still plenty there for your viewing pleasure but if you track any I missed then give me a note.
