The no-nonsense, double-patty model at 4 Charles Prime Rib is a welcome addition to the city's roster of excellent burgers. Praise for the first edition: "It is a handsome book, valuable not only to historians and garden designers, but also to every garden maker. The details and explanations offered by Tankard reveal much of the garden designer's art." —George Waters, *Pacific Horticulture* In the French formal garden, a bosquet (French, from Italian bosco, "grove, wood") is a formal plantation of trees, at least five of identical species planted as a quincunx, or set in strict regularity as to rank and file, so that the trunks line up as one passes along either face. *Medieval Gardens . Medieval Castles, and to an even greater extent Monasteries, carried on an ancient tradition of garden design and intense horticultural techniques in Europe., Italian Gardens Charles Platt.*
