Ghost rockets (Swedish: Spökraketer, also called Scandinavian ghost rockets) were rocket- or missile-shaped unidentified flying objects sighted in 1946, mostly in Sweden and nearby countries. Reader's theater is a strategy for developing reading fluency. It involves children in oral reading through reading parts in scripts. In using this strategy, students do not need to memorize their part; they need only to reread it several times, thus developing their fluency skills. Kevin Wesley Love (born September 7, 1988) is an American professional basketball player for the Cleveland Cavaliers of the National Basketball Association (NBA). Abstract. Repeated interactive read-alouds, a systematic method of reading aloud, allow teachers to scaffold children's understanding of the book being read, model strategies for making inferences and explanations, and teach vocabulary and concepts., Love Rockets Book 15 S C.
