Spore Creatures is a spin-off of Spore, developed by Griptonite Games and published by Electronic Arts, in which a player controls and evolves a creature of their creation. Planet Earth is a weird and wonderful place that's chock-full of all kinds of different wildlife. All over the world roam creatures big and small, each of them with their own special purpose in the animal kingdom. A quarantine station, a dumping ground for plague victims, more recently a mental hospital -- the tiny island of Poveglia in the Venice Lagoon has served many unpleasant purposes over the years ... Fearless, free-spirited Hilda finds new friends, adventure and magical creatures when she leaves her enchanted forest home and journeys to the city.
