Women are a force to be reckoned with in both business and the blogosphere. In honor of these hardworking and insightful ladies, I've compiled a list of the Top 100 Must Read Blogs by Women.By Crabby McSlacker This post is a classic example of Selective Reporting: You see some headlines you like, so you skip merrily over the exhaustive research and analysis you should be doing in order to decide whether they're even valid.It's been a rough month, eating-wise, with all of the carby comfort foods including breads, pastas, and sweets. It's a hard habit to break once you get into it, just like lower carb eating is a hard habit to break when you've been at it awhile., The Amazing Adventures Of Dietgirl.
